

C.P. Annie Productions, Cheryl's Winners & Off the Rack Swimsuits Measurement Chart

The following measurements have been designed to help you with fitting your customer for Special Measurement swimsuits. By giving these measurements you can maximize the opportunity to have each suit fit to perfection!

These measurements are required for all "custom made" swimsuits that need special measurements. As stated within the C.P. Annie catalog, UNDER NO CIRCUMSTANCES MAY special measurement / custom-made swimsuits be returned. By giving these measurements you greatly lower the risk of your swimsuit fitting improperly. Thank you for your time and consideration.

Note: All "Off the Rack" suits have a 1" French Cut.
The "C2" has a standard 2" French Cut.
All "D" styles, and all "E" styles have a 1" French Cut.
